10:SUNDAY DUTIES AT ST GEORGE'S

It's impossible for us to overstate the importance of the Sunday duties that people perform in Church, and we are really very grateful for all the hard work you put into preparing. That's why it causes a problem when you are not there for your duty, have not swapped, and have not told the Churchwardens. This is particularly the case for readers and those leading intercessions. It's difficult to make last minute substitutions because preparation is required; even the clergy need to prepare!

A number of you have told us you prefer to be "Told what to do" rather than being "Asked to Volunteer", and don't like the idea we have for a "sign up rota"; others have said how good it is because they can sign up for when they know they will be here and it saves them the worry of forgetting to swap and forgetting to let us know, which just goes to prove that you can't please everybody all the time!

So we're going to try a hybrid model. The list for this month will be left on the notice board and we ask you please to sign up. For October the list will be left up until 19th September when it will be removed and the November list put up. We will issue a rota for October on by filling in the gaps with those of you who prefer to be told. We hope that way to be able to meet everybody's needs. Thank you for your help.

Almighty God,
 whose only Son has opened for us
 a new and living way into your presence:

 through Jesus Christ your Son our Lord,

 in the unity of the Holy Spirit,
 one God, now and for ever.

14: I HAVE RECEIVED an invitation from Westminster Abbey to a Pilgrimage on Saturday October 16th to the shrine of Edward the Confessor. The Abbey opens for pilgrims at 9am, visits to the Shrine and children's activities begin at 9.30, with Prayer Tours of the Abbey and precincts. These continue through most of the day. There is a Festival Eucharist with the Dean preaching at 11:30, and Evensong & Procession at 3pm. Anyone can come at any time, but they would like to know roughly how many think they will come, and whether it would be for the morning, the afternoon, or the whole day. If we can make up a party of 20, we can book a short act of worship at the Shrine. I have a booking form. If anybody is interested. could they let me know?

15:DURING SEPTEMBER the Diocese of Oxford will be hosting *Inspired by Creation*, an opportunity to share with others a photograph and/or a poem or prayer that captures the place where people encounter God through creation.

The idea is to mark creation-tide and promote an awareness of environmental issues and how we can respond. The competition will run from 1st - 30th September, and we plan to make the winning photos and words available through packs of postcards and other resources. The competition is open to anyone and linked to the *Earthing Faith* website, www.earthingfaith.org/inspired.

16:CHURCH STREET BAND The band is looking for additional instrumentalists and vocalists who are free to join in on Sundays and special services, must be available for Friday evening practice. The Band is currently on duty approximately twice each month. Two of our talented guitarists (Ruth & Andy) will be working away in sunny Devon until late 2011, and will be sorely missed, but this could be your opportunity to see if helping to lead worship is for you. Please speak to a member of the Church Street Band if you would like more details.

17:STEPHEN & GILLIAN will be holding their annual party on Saturday 18th September 3-8pm. Please let us know if you can come. Food provided; let us know if you can make a cake.
